

DSWCI Tropical Bands Monitor 2006

as logged by DX-ers worldwide.

Compiled by Anker Petersen 03 September 2006. © DSWCI

◆ means that the station has been reported heard in 2006 by a DX-er during the month marked.

It will be useful for you also to look at the Tropical Bands Monitor for all 12 months of 2005 at www.dswci.org/tbm .

Unmarked months mean that no DX-er has reported this station as heard, but not necessarily, that it was off the air.

Red entries have been added since the DSWCI published the latest Domestic Broadcasting Survey on 18 April 2006 (DBS-8).
